Deluxe Storage Cabinets

Size Options

Available in two depths (18" and 24") and two heights, 78" and 42".

Ventilation

Built in ventilation louvers allow air flow.

Four Hinges

Up to four knuckle hinges are used to maintain door alignment on larger size cabinets.

Three Point Locking

Door locks at three points for maximum security.

Raised Base

Keeps Contents of cabinet from contacting moisture from floor.

Levelers

Two adjustable levelers compensate for uneven floor.

Rugged Construction

Heavy gauge steel including 16-gauge door frame make the deluxe series our best built cabinet.

Two Handles

Two brushed chrome handles simplify opening and closing of dual swing-out doors.

Adjustable Shelves

Shelves adjust in 2" increments for flexibility.

Reinforced Doors

Doors utilize an extra wide reinforcement for added rigidity.

Built-in Shelf Support

Shelf Support tabs allow shelves to be easily adjusted with no shelf clips to lose.

Standard Storage Cabinets

Adjustable Shelves

Shelves adjust in 2" increments for flexibility.

Three Hinges

Up to three leaf hinges are used to maintain door alignment on larger size cabinets.

Three Point Locking

Door locks at three points for maximum security.

Built-in Shelf Support

Shelf Support tabs allow shelves to be easily adjusted with no shelf clips to lose.

Size Options

Available in two depths (18" or 24") and three heights 72" 42" 30".

Reinforced Doors

Doors utilize an extra wide reinforcement for added rigidity.

Chrome Handle

Attractive chrome handle locks both doors for easy opening.

Raised Base

Keeps Contents of cabinet from contacting moisture from floor.

Storage Cabinets with a Difference

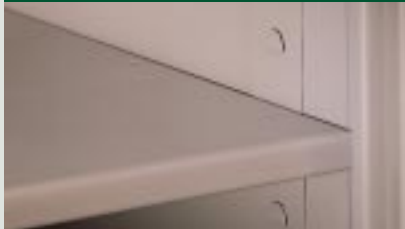

With Tennsco there is a difference. Our Deluxe and Standard cabinets utilize heavy gauge steel construction throughout for maximum rigidity and trouble-free performance. And, our durable powder coated finishes easily blend into any office environment.

Three-Point Locking

Just turn the handle and doors lock at three points for maximum security. Nylon guides help make operation quiet.

Adjustable Shelves

Shelves are adjustable in two inch increments without tools. Thanks to integrated shelf support tabs there are no shelf clips to lose. Shelves have turned edges for extra rigidity and safety.

Raised Base

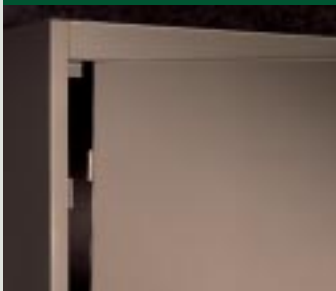

Cabinet bases use a "box" construction technique for added overall stiffness. The base also keeps materials out of harm's way from cleaning liquids.

Reinforced Doors

Each door incorporates an extra wide reinforcement that is welded for added strength and stability.

Ready-to-Assemble Cabinets

Enjoy extra savings with Tennsco's Ready-To-Assemble units for both Deluxe and Standard Cabinet versions. They offer quality construction and go together easily.

All Ready-To-Assemble Cabinets include a special driver that makes assembly easy.

Assembled Cabinets

For convenience and rigidity, Deluxe and Standard Cabinets are available completely assembled utilizing a welded construction design.

SYSTEMS FOR SUCCESS

Deluxe Storage Cabinets

Our Deluxe Series Storage Cabinets have set the standard for quality, convenience and performance for over 30 years. Heavy gauge steel throughout, and 16 gauge door frame construction combined with up to four knuckle hinges make these the most rugged storage cabinets of their kind. Deluxe cabinets can be used anywhere and stand up to a lifetime of heavy use, making them the best value for your money.

Double Handles

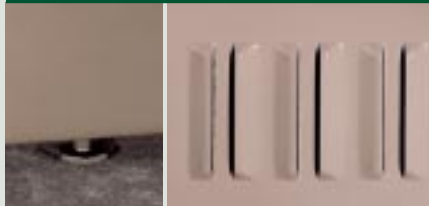

Two brushed chrome handles, with one that locks both doors, make opening and closing of the dual swing-out doors easy.

Knuckle Hinges

Up to four extra strong knuckle hinges are used to maintain door alignment.

Levelers & Louvres

Two adjustable levelers compensate for uneven floors while louvered back panel permits air circulation.

Recessed Handle Option

Optional recessed handles for selected models of Deluxe and Standard cabinets offer easy access without obstructions protruding into narrow aisle ways.

Standard Storage Cabinets

Our Standard Series Cabinets offer many of the same features of the Deluxe, including heavy-duty construction, 3-point door locking mechanism, raised bottom and built in shelf support tabs. All at an exceptional value. Choose from five different cabinet models in either assembled or ready-to assemble versions. The perfect choice for office or industrial applications.

Triple Hinges

Dual swing-out doors ride on heavy-duty leaf hinges. Larger size cabinets use three hinges to assure doors stay aligned.

Chrome Handle

Good looking polished chrome handle with lock activates the cabinets three-point locking system for extra security.

Optional Casters

Add mobility to Standard and Deluxe cabinets. Perfect for offices and other areas where materials need to be secured yet accessible to workers at different locations. Adds 6 $\frac{3}{4}$ " to cabinet height.

Jumbo Storage Cabinet

Extra Wide

Need extra capacity for those “big” storage problems? Tennsco’s 48” wide cabinet provides 13 more cubic feet of storage than a 36” wide cabinet. Our specially engineered shelves utilize box-formed construction to accommodate heavy loads, even with the extra wide shelf span. Extra wide doors ride on four heavy-duty leaf hinges while a three-point locking system ensures secure storage for even the bulkiest materials. Integrated levelers keep the unit level on uneven floors.
