PROUDLY MADE IN THE U.S.A.

A Word About Tennsco

Tennsco, LLC, headquartered in Dickson, Tennessee, began operations in 1962. Today, Tennsco is an industry leader in steel storage solutions, with over 1.7 million square feet of manufacturing and warehouse space in nine facilities.

Tennsco offers a wide variety of storage and filing systems, steel office furniture, industrial and institutional shelving, lockers and shop equipment.

Environmentally Friendly Products

Tennsco steel products are certified SCS Indoor Advantage Gold for indoor air quality and low VOC emissions.

Tennsco products allow our customers to apply LEED credits as described below:

- MR Credit 4.1 and 4.2 - Recycled Content
- MR Credit 5.1 - Manufactured Regionally
- MR Credit 5.2 - Extracted and Manufactured Regionally
- EQ Credit 4.2 - Low Emitting Materials, Paints

Available Colors

All Tennsco products have a tough, long lasting powder coated or electrocoated paint finish to ensure years of lasting beauty. Available standard colors vary by product line. All standard color options are listed at the bottom portion of each page, unless otherwise specified.

Standard Colors are available at no additional charge. Premium and Special Matched Colors are available for an upcharge. Finishes shown are representative of the actual finishes. Please contact your local Tennsco dealer for more precise color swatches.

Standard Colors (Unless Otherwise Specified)

Sand (SND) Champagne/ Putty (CPY) Light Grey (LGY) Medium Grey (MGY) Black (BLK)

POLICY AND SERVICES

PRICING: All prices are F.O.B. Tennsco, LLC's Facility in Dickson, Tennessee. All orders are subject to final acceptance at the Home Office, Dickson, Tennessee. Prices subject to change without notice. Tennsco has the right to make product design changes at any time. Tennsco's prices do not include sales, use, excise or similar taxes. Consequently, in addition to the prices specified herein, the amount of any present or future sales, use, excise or similar tax applicable to the manufacture, sale, purchase or use of the goods sold hereunder shall be paid by Buyer. In lieu thereof, Buyer shall provide Tennsco with a tax exemption certificate acceptable to the applicable taxing authorities.

TERMS OF PAYMENT: Terms are Net 30 Days from date of shipment. A service charge of 1 1/2% per month will be charged for overdue invoices.

MINIMUM ORDERS: Minimum order is \$15.00.

SPECIFICATIONS: Tennsco reserves the right to change any product specifications contained in this price list.

FREIGHT CHARGES: All shipments will be made freight collect unless otherwise specified. If freight is paid by Tennsco, it will be added to the invoice or billed separately, depending on arrangements. On shipments by parcel post, the postage will be added to the invoice. All routing will be done solely by the Home Office. If purchaser does not accept delivery of merchandise when ready for shipment, storage fees will be charged to the purchaser.

WEIGHT: Shipping weights shown are approximate.

FREIGHT CLAIMS: Claims for shortages must be made in writing to the Home Office within 5 business days from receipt of shipment. Claims for damaged or lost material must be filed with the carrier.

CAUTION: When you give delivering carrier a clear receipt for a shipment in which there is damaged merchandise or a shortage, the carrier is relieved of further responsibility. Claims for damage or shortage must be filed by you with the delivering carrier. Tennsco will not accept return of merchandise damaged in transit. Your claim is with the delivering carrier.

CANCELLATIONS & RETURNS: No return merchandise will be accepted or approved, based on product, color and quantity, without written consent of the Tennsco General Office, Dickson, Tennessee. If return is approved, all returned shipments are subject to a handling charge of 25% plus all transportation charges incurred by Tennsco unless Tennsco is at fault. Orders for "Special" items are not subject to change, cancellation or return. Once production of "Special" items has begun, cancellation of order is subject to Tennsco approval. A 15% surcharge will be assessed to approved cancelled items.

LIMITED WARRANTY

Tennsco warrants goods purchased hereunder to be free of defects in materials and workmanship for a period of one (1) year from the date of shipment, hereunder. Tennsco's warranty shall not apply in the event goods are damaged as a result of misuse, abuse, neglect, accident, improper application, modification or repair by persons not authorized by Tennsco, where goods are damaged during shipment. UNLESS CONSIDERED UNENFORCEABLE OR UNLAWFUL UNDER APPLICABLE LAW:

- a. ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO WARRANTIES OR MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY EXCLUDED.
- b. BUYERS REMEDY, IF ANY, FOR ANY DEFECTIVE GOODS SHALL BE LIMITED TO A REFUND BY TENNSCO OR REPLACEMENT OF THE GOODS AT TENNSCO'S OPTION AND SHALL IN NO EVENT INCLUDE DAMAGES OF ANY KIND, WHETHER INCIDENTAL, CONSEQUENTIAL OR OTHERWISE.

NO GOODS ACCEPTED FOR RETURN WITHOUT PRIOR APPROVAL. Tennsco shall have the right to inspect any goods claimed to be defective at Buyer's place of business or require Buyer to return the goods to Tennsco for inspection on Tennsco's premises. Transportation charges covering returned goods will be borne by Tennsco only if such goods are proven to be defective, are covered by this warranty and are returned within the warranty period stated above.

VERTICAL FILES

Product Specifications

- Full suspension drawers feature three-member, ball-bearing suspensions.
- Mechanical inner lock allows only one drawer to be open at a time to prevent tipping.
- Four adjustable steel leveling glides.
- High sided drawers eliminate need for hanging folder rods.
- One label holder per drawer.
- Steel follower block in all drawers slide in a recessed metal track.

Lock Specifications

- One key unlocks all drawers at once.
- Locks are core-removable.
- Locks are keyed randomly. For keyed alike, add suffix "-KA" to model number.
- Lateral Files, Vertical Files, and Card Files can be keyed alike if desired.

ADA COMPLIANT LOCKERS

Tensco ADA Compliant Lockers are specifically designed to provide easier access to contents from a seated position. This is achieved through your choice of a bottom riser to raise the lower shelf, an ADA compliant keyless lock, and reduced-height upper shelf and coat hooks.

The special ADA compliant lock allows the locker to be opened by simply inserting the key. No turning of the key is required, allowing for single-handed operation.

The bottom riser raises items stored on the bottom shelf to a more reachable level.

The reduced height upper shelf and coat hooks bring items normally stored high in the locker down to a reachable level.

Tensco will modify several of our standard lockers, offering a variety of choices. ADA Compliant Lockers are available for single tier, double tier (bottom locker only), and triple tier (bottom two lockers only) lockers, and can be custom ordered with the ADA features below. Call factory for details. You may also convert your existing lockers to be ADA compliant by ordering the options below.

All ADA Compliant Lockers are shipped with the universal handicap symbol.

Call factory for ADA Lock options.

ADA REDUCED HEIGHT UPPER SHELVES

*Load capacities are based on evenly distributed loads with the recommended number of SDS-dd front-to-back deck reinforcements.

National Motor Freight Class: 70

HEAVY-DUTY SHELF SUPPORTS

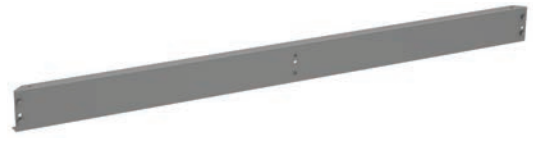

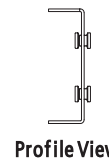

Front-to-back shelf supports are 1" d x 2 3/4" h. Load capacities are based on width of shelf. Front-to-back deck supports do not have center rivets for shelf reinforcements.

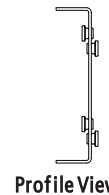

Left-to-right shelf supports are 1" d x 2 3/4" h.

EXTRA HEAVY-DUTY SHELF SUPPORTS

Shelf supports are 1" d x 3 1/4" h.

Use left to right only; not to be used front to back. Cannot be installed in bottom two keyholes of uprights; Will not sit flush on the floor.

SEISMIC SUPPORT CHANNEL

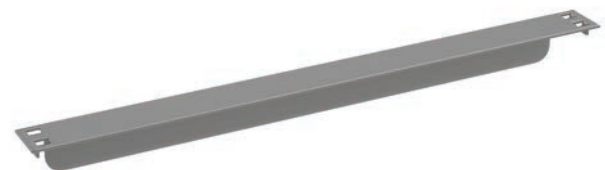

Shelf supports are 1 1/2" d x 4 13/32" h.

Allows unit to be secured to floor in order to meet seismic requirements.

STEEL SHELVES

Attaches to upright posts with four shelf clips per shelf (included). Shelf clips allow for access from all four sides of the unit.

NOTE: When building your own unit with steel shelves, you MUST use VDRS supports at the top and bottom of the unit, on all four sides for stabilization. Shelf clips alone are NOT sufficient to stabilize unit.

In addition, units 96" and taller must use VDRS supports in the center of the unit, on all four sides.

Shelf Clip

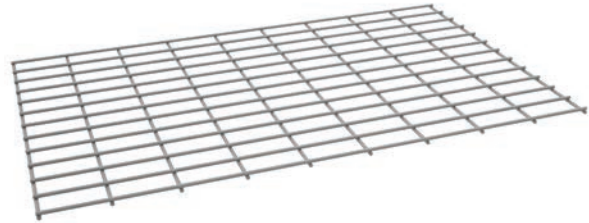

Standard Colors (Unless Otherwise Specified)

Items with these symbols are available to ship in 2-3 days. Limited quantities and select colors.

WIRE DECKING

Wire decking uses 5 gauge wire & consists of a 2" x 4" mesh pattern. Additional sizes are available; contact factory for pricing.

Wire decking is subject to longer than normal lead times; contact factory for specifics.

Not recommended for shelf levels with DRS supports deeper than 24".

CANTILEVERED ACCESSORY SYSTEM

The Cantilevered Accessory System provides a variety of convenient storage options for your workstation. Start with upright frames, then add accessories such as shelves with dividers, sloped shelves, an overhead light, or a bin rail for adding third-party bins for small parts storage.

UPRIGHT FRAMES

Accessories attach to uprights without tools.

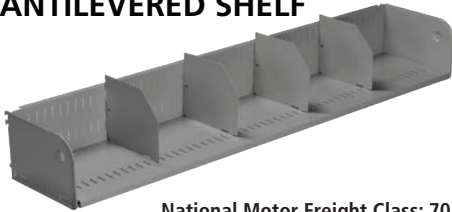

NOTE: Cantilever system requires 72" or wider top.

National Motor Freight Class: 70

CAT. NO.	DESCRIPTION	W	D	H	WT.	PRICE
WBRU-24A	Sold as a Pair	4	5 1/4	24	10.7	\$83.00
WBRU-42A	Sold as a Pair	4	5 1/4	42	15.7	\$85.00

Upright frames attach to the rear edge of the work surface to provide a substantial structure from which to support storage shelves, bin rails, sloped shelves and lighting. Attaches with four bolts per side (drilling required to attach). Both sizes of uprights may be attached directly to the Tensco steel or wood tops.

CANTILEVERED SHELF

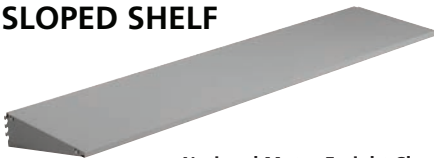

National Motor Freight Class: 70

CAT. NO.	W	D	H	WT.	PRICE
TWBS-6012A	60	12	7 1/2	21	\$81.00

May be quickly and easily repositioned. Four adjustable dividers are furnished with each shelf.

SLOPED SHELF

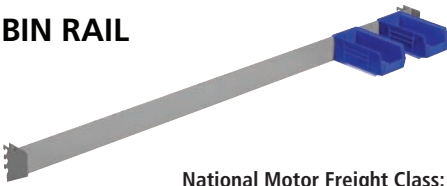

National Motor Freight Class: 70

CAT. NO.	W	D	H	WT.	PRICE
TWSS-6012A	60	12	3/4	19	\$59.00

May be quickly and easily repositioned. Includes a front lip to keep items from rolling off the shelf.

BIN RAIL

National Motor Freight Class: 70

CAT. NO.	W	D	H	WT.	PRICE
TWBR-60	60	3 7/8	4 3/16	7	\$116.00

Bin Rails accommodate a variety of commercially available plastic and steel parts bins. Easily adjustable up or down on the upright frame. Bins not included.

CANTILEVER TASK LIGHTING

National Motor Freight Class: 70

CAT. NO.	W	D	H	WT.	PRICE
TWCTL-48	Task Light			14	\$199.00
	50 5/32	8	1 25/32		
TWLB-60	Light Bracket Kit			8.2	\$52.00
	60	13 1/2	3 1/2		

The cantilever task light provides overhead lighting for your work area. Unit contains two 32-watt lamps and is prewired with an 8' power cord and power switch. Use bracket kit for mounting onto cantilever uprights. Mounting bracket allows light to adjust back and forth in 1 1/2" increments, or an angle if mounted on top. Available in black only.

HEAVY PUNCHED SHELF

May not be used with double wall (library) uprights. For use with bin dividers (LTBD-ddhh). Each shelf requires two shelf supports. Load capacities are based on using the recommended number of HR-dd reinforcements and using HS-ww14 shelf supports, with weight evenly distributed.

*NOTE: Load capacities do not apply to mobile units.

LTHD-4276RH
Hinged Door for Single Units —
Extends 1 3/4" from front of unit; door
frame uses 1/2" vertical filing space.

*Provides additional clearance for filing with end tab file folders.

**Extends 2 3/4" from front of unit:

Door frame uses 1/2" vertical filing space.

For optional keyed alike lock (\$18 List), add "KA" to catalog number.

For optional keyed specific lock (\$18 List), add "KS" to catalog number.

All doors come standard with lock, in compliance with Health Insurance Portability and Accountability Act of 1996 (HIPAA) regulations.

36" Wide Drawers

Four Steps to configuring your L&T High Density Drawer System:

1. Select the drawer width and depth (pages 94-96) that match your shelving.
2. To determine height of the drawer needed, compare the height of the item being stored with the column marked "drawer height – usable inside" (pages 94-96) and select the height that will provide you a height at least as great as the item being stored.
3. To determine the number of columns in the drawer, compare width of item being stored with the column marked "usable divider width" (pages 97-99) and select the number of columns that will provide you a width at least as great as the item being stored.
4. Add spreaders and kickplates (page 99) for added rigidity and a clean appearance. Each unit should have a minimum of 4 pairs made up of a combination of double rivet shelf supports and/or spreaders.

Note:

- Depth of drawers MUST match shelving unit.
- Dual entry access is available for 30" and 36" only. (i.e., 30" depth unit allows two 15" drawers on same level)
- Never open more than one drawer at a time.
- We strongly recommend that all shelving, especially shelving containing modular drawers, be floor or wall anchored.
- 18" Lateral drawers can accommodate both letter and legal sized files side-to-side.
- 15" Lateral drawers can only accommodate letter sized files side-to-side. For legal sized files, front-to-back cross rods (page 34) must be used.
- See supplemental brochure for possible lateral drawer configurations.

Each drawer includes:

Drawer, Mounting Brackets, Suspensions, Full Length Label Holder, Label and Clear Label Cover

15" DEEP SHELVING

*Double entry units are supplied with one suspension and one mounting bracket.

48" Wide Drawers

Four Steps to configuring your L&T High Density Drawer System:

1. Select the drawer width and depth (pages 94-96) that match your shelving.
2. To determine height of the drawer needed, compare the height of the item being stored with the column marked "drawer height - usable inside" (pages 94-96) and select the height that will provide you a height at least as great as the item being stored.
3. To determine the number of columns in the drawer, compare width of item being stored with the column marked "usable divider width" (pages 97-99) and select the number of columns that will provide you a width at least as great as the item being stored.
4. Add spreaders and kickplates (page 99) for added rigidity and a clean appearance. Each unit should have a minimum of 4 pairs made up of a combination of double rivet shelf supports and/or spreaders.

Note:

- Depth of drawers MUST match shelving unit.
- Dual entry access is available for 30" and 36" only. (i.e., 30" depth unit allows two 15" drawers on same level)
- Never open more than one drawer at a time.
- We strongly recommend that all shelving, especially shelving containing modular drawers, be floor or wall anchored.
- 18" Lateral drawers can accommodate both letter and legal sized files side-to-side.
- 15" Lateral drawers can only accommodate letter sized files side-to-side. For legal sized files, front-to-back cross rods (page 34) must be used.
- See supplemental brochure for possible lateral drawer configurations.

Each drawer includes:

Drawer, Mounting Brackets, Suspensions, Full Length Label Holder, Label and Clear Label Cover

15" DEEP SHELVING

Note:

- Dividers are flanged to accept standard label stock (not supplied).
- Dividers can be used individually as column compressors (i.e., one divider per column).
- To determine the size of divider needed, compare the width of item being stored to the column marked "usable divider width" and choose the number of columns that will give you a width at least as great as the item being stored.

TLT4880	PAIR	UNIVERSAL SPREADER	48	3/4"	3"	11.2	43.00

SPREADERS

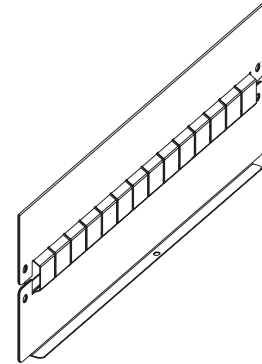

Note:

- Adds extra support to drawer to keep units square.
- Both kickplate and intermediate spreader are required after combination of drawers exceeds 36" in height. The # of spreaders required depends on the # of drawers used.

- When placing a shelf on top of an intermediate spreader, shelf dividers cannot be used. For dividers you may use TS shelf support above all drawers except the 3" drawer.
- Units must have a minimum of 4 pair of a combination of double rivet shelf supports and/or spreaders.
- You may use SHS at bottom of unit to attach to mobile but you will have a 1 1/8" gap to the bottom of the drawer. Also, using a pair of SHS's at the bottom does not count toward the requirement of 4 pair of left to right supports.
